The NNVCA Convention Committee has continued our decision that we are not out to make a big profit. This is our sixth convention and we still want to keep it as inexpensive as possible to allow the members of our fellowship a chance to see how much fun these conventions are without breaking their bank.

**Volunteers.** Willing to help out somewhere? Check the box on the registration form to the left and someone will contact you!

**Transportation From Reno/Tahoe Airport.** The Ramada Reno Hotel & Casino is conveniently located one mile from the junction of Interstate 80 and Highway 395 on 6th Street. A complimentary shuttle will take you to and from the Reno/Tahoe International Airport.

**Entertainment.** On Friday we're doing a casino gaming night with play money! We'll set you up with your first bankroll! Then, come on out on Saturday night! It's almost Halloween so get your costume on and come party with us! We'll be mixing dancing with karaoke and having a blast! There will be prizes for best gambler, best costume and best karaoke performance! ☺

**Special Events.** We plan on taking a walk over to the Roller Kingdom rink on Saturday afternoon for a couple of hours of skating. Watch out if you haven't been in a while! Those skates are tricky! But they're also fun!

**Local Attractions.** Well uh... hmmm what can we say? The hotel is right downtown so there are casinos all over the place. Just across 395 there's the GSR and it has go-carts and a really big swing. Back the other way; the Circus Circus has an arcade as well. The Truckee River runs by a few blocks to the South.
